MADE OF YOURS**

Saputo

Machine Operator
Nuneaton, Warwickshire
Full Time | 4 days on 4 days off
£28,103

At Saputo, our best comes from our people. We're a talented and caring team with a longstanding history of excellence. Since our first days delivering cheese on a bicycle; we've grown into a leading global dairy processor by staying true to the culture that defines us. Each of our employees is committed to uphold our tradition of care, quality, and passion through food, and together, we foster an environment where we can all make contributions that matter—from our manufacturing plants to our office locations and everywhere in-between.

YOU'LL MAKE CONTRIBUTIONS THAT MATTER BY...

- Ensuring product quality and integrity to ensure we protect the consumer and the brand.
- Performing periodic stock counts and ensure system and physical records match.
- Optimising equipment performance to meet and exceed key performance indicators in the areas of safety, quality, cost and service and act as the first level of repair, addressing short stops on equipment.
- Managing and handling all waste streams to and through the correct processes.
- Highlighting and sharing with their peer group best practice and key learning's to ensure optimum performance across a shift system.
- Clean, check, fault find and problem solve materials handling equipment.

YOU'RE BEST SUITED FOR THE ROLE IF YOU HAVE...

Essential

- Previous experience of operating machinery.
- Mechanical Knowledge of machinery.
- A track record of working as part of a team.

Desirable

- Experience within a food-processing environment.
- NVQ or Apprenticeship in engineering.

WE SUPPORT AND CARE FOR OUR EMPLOYEES BY PROVIDING YOU WITH...

- Site bonus scheme paid quarterly
- Development opportunities
- Long service recognised every 5 years
- Generous employer pension contributions
- Health Cash Plan - claim money back up to a set limit of c.£700 per annum on essential healthcare
- Life Assurance
- Free, onsite parking
- Discounted branded products
- Subsidised staff restaurant
- Holidays (17 x 12 hrs shifts)
- My Staff shop - access to exclusive benefits, free advice and savings - providing great discounts from thousands of the UKs largest retailers & service providers.

We support employment equity. Saputo strives to embed diversity and inclusion in its operations and invites candidates from all horizons to join our team.

Saputo

DATA OPERATIONS MANAGER

Nuneaton
Full Time | Permanent

We have a fantastic opportunity for an experienced Data Operations Manager to join our can-do and passionate Supply Chain team, to drive operational performance.

At Saputo, our best comes from our people. We're a talented and caring team with a longstanding history of excellence. Since our first days delivering cheese on a bicycle; we've grown into a leading global dairy processor by staying true to the culture that defines us. Each of our employees is committed to uphold our tradition of care, quality, and passion through food, and together, we foster an environment where we can all make contributions that matter—from our manufacturing plants to our office locations and everywhere in-between.

YOU'LL MAKE CONTRIBUTIONS THAT MATTER BY...

- Being responsible for the functional management of operational data & reporting services for Nuneaton site.
- Managing data analysis and reporting requirements for site operations, including collaborative working with internal and external stakeholders.
- Delivering information outputs to agreed business reporting standards, to support operational and management team tactical and strategic decision making.
- Supporting our Manufacturing Performance Systems (MPS) agenda, by providing information and insight to support the improvement of overall site efficiency and manufacturing process optimisation.
- Managing data quality to ensure accuracy and consistency across our operational systems.

YOU'RE BEST SUITED FOR THE ROLE IF YOU ARE...

- Able to demonstrate experience within a related management level role.
- Experience of managing direct reports or equivalent experience through the management of indirect resource.
- Proficient across the following reporting technologies; Microsoft Windows Server, Microsoft SQL Server, T-SQL/SQL Server Reporting Services, Microsoft Power BI, Excel & Access, Visual Basic for Applications (VBA) & HTML/XML.
- Degree qualified or have the equivalent level combination of education and experience.
- Experience working within a Supply Chain environment, leveraging information to drive efficiency and performance.
- Experience working with industrial control data sources & mechanisms (i.e. OMAC Codes, Historian Databases, OPC Servers) preferred.
- Able to demonstrate a good understanding of cyber security controls, and how they can be applied to reduce risk.
- Able to demonstrate a track record of managing a reporting portfolio, with appropriate governance and controls.
- Able to engage and influence key stakeholders, including 3rd parties.

- An excellent communicator and experienced team player, who builds relationships with internal and external colleagues, forming working groups to deliver end-to-end business requirements.

WE SUPPORT AND CARE FOR OUR EMPLOYEES BY PROVIDING YOU WITH...

- Development opportunities
- Life Assurance
- Company bonus scheme paid quarterly
- Long service recognised every 5 years
- Private Health Care
- Health Cash Plan - claim money back up to a set limit of c.£700 per annum on essential healthcare
- Free, onsite parking
- Discounted branded products
- Subsidised staff restaurant
- 25 Holidays + 8 bank holidays
- Generous employer pension contributions
- My Staff shop - access to exclusive benefits, free advice and savings - providing great discounts from thousands of the UKs largest retailers & service providers.
