

CAPITAL ACCOUNTANT

Davidstow

Full Time | 12 month Fixed Term Contract

YOU'LL MAKE CONTRIBUTIONS THAT MATTER BY...

- Taking responsibility for all aspects of site capital accounting and reporting including internal reporting, statutory reporting and monthly reporting into head office, with challenging deadlines due to Canada reporting requirements.
- Taking responsibility for producing reports for inclusion in the UK Group's management accounts, budgeting and forecasting packs and reporting into the parent company. This will involve working with senior managers to ensure their understanding of the Groups capital spend position and forecast going forward.
- Managing the accounting for operating leases under IFRS 16, a new accounting standard changing the treatment of operating leases to bring them onto the balance sheet.
- Preparing, challenging, analysing and providing insight to management the monthly capital forecast. Provide analysis and present capital forecast to the monthly site review.

YOU'RE BEST SUITED FOR THE ROLE IF YOU ARE...

- ACCA or CIMA qualified is preferable or part qualified with management and operations completed.
- Established at developing positive relationships with good stakeholder management. Excellent organisational and influencing skills with an understanding of budgetary process ability to plan your workloads ensuring that all tasks are completed to required timescales.
- Proficient in accounting systems and Microsoft Excel – intermediate level – v looks ups, pivot tables.
- Able to communicate with all levels of management across the business as required.
