

Capital Project Engineer
Nuneaton
Full Time, Permanent

YOU'LL MAKE CONTRIBUTIONS THAT MATTER BY...

- Providing technical delivery of capital projects to sponsors and onsite end users, on time and within budget, whilst working within a multi-discipline Project Team.
- Managing capital project deliverables which are inclusive of (but not limited to) site infrastructure, energy, obsolescence, security, process capability and which require broad technical understanding of Electro-mechanical systems, process control and compliance.
- Providing a detailed understanding of core Project Management principles and effective application of project-based tools to run multiple projects from concept to completion.
- Driving projects whilst leading stakeholders through various stages of the project lifecycle and supporting team members and colleagues to achieve outcomes.
- Ensuring that all statutory requirements are met when measured against all relevant legislative standards for Health and Safety & Food Safety across site.

YOU'RE BEST SUITED FOR THE ROLE IF YOU ARE...

- Able to demonstrate previous experience in project management or as a control engineer in FMCG, Manufacturing or Process environments.
- Able to demonstrate a solid understanding of the main principles of engineering with an HNC/Degree in a relevant electrical/mechanical discipline.
- A strong communicator with excellent interpersonal skills.
- Good with time and budget management.
- Proficient in Microsoft Office applications, including MS Project, and have the ability to use AutoCAD LT2022.
- Qualified as a PRINCE 2 Practitioner.

WE SUPPORT AND CARE FOR OUR EMPLOYEES BY PROVIDING YOU WITH...

- Bonus paid quarterly
- Long service recognised every 5 years
- Generous employer pension contributions and Life Assurance
- Health Cash Plan - claim money back up to a set limit of c.£700 per annum on essential healthcare
- Free, onsite parking
- Discounted branded products and a subsidised staff restaurant
- 25 Holidays + 8 bank holidays
- My Staff shop - access to exclusive benefits, free advice and savings - providing great discounts from thousands of the UK's largest retailers & service providers.
- This role is eligible for visa sponsorship

We support employment equity. Saputo strives to embed diversity and inclusion in its operations and invites candidates from all horizons to join our team.
